Located one block off Hospital Drive in Mountain Home at 19 Medical Plaza. Visit Brooks-Jeffrey Marketing's photographers to discuss your photo needs.

In addition to in-studio, outdoor, and on location photography, BJM offers in-house photo restoration services. BJM's trained, experienced photographers use specialized equipment and lighting - providing professional print and digital photography. Studio lighting and backdrops enhance your professional photographs. For on-location shots, BJM's Photography Team uses a portable modeling light system. Brooks-Jeffrey Marketing, Inc. (BJM) has provided communication, advertising, and photography services since 1984.

Services & Products: Product and facility photos, on-location shots, aerial and scenic photos, action photography, individual and group portraits, senior portraits, photo restoration.
