

# Cardiovascular Associates

OF NORTH CENTRAL ARKANSAS P.A.

Health Care &  
Wellness

*Our state of the art facility located at 555 W 6th Street*

*(l to r): Erick R. Araneda, M.D. • Michael J. Camp, M.D. • Otis S. Warr, IV, M.D.*

**Our Staff:** We are proud of our staff who always go above and beyond to assist our patients in order to make their visit as pleasant as possible. In addition to our three highly skilled cardiologists, we have an office manager, nurse practitioners, and a physician's assistant on staff to enhance your care. Also on staff, to ensure high quality medical treatment of our patients, are: Licensed Practical Nurses; Certified Professional Coders and an EECF Technician; as well as a Registered Nuclear Technician, MRI/MRA Technician, and Sonographers. We also have a Certified Ultrasound Lab.

**Our Specialty:** Our practice provides a full range of cardiac care. The following are examples of conditions for which we provide treatment:

- Heart Failure
- Heart Attacks
- Pacemakers
- AICD
- Aneurysms
- High Cholesterol (Lipid)
- Syncope
- Arrhythmia
- Congestive Heart Failure
- Leg Blockages
- Valvular Heart Problems
- Chest Pain (Angina)
- Coronary Artery Disease
- Peripheral Vascular Disease
- Carotid Artery Disease
