"Caring For You At Home"

Health Care &
Wellness

Gayla Gray along with her husband Donald are owners of Home Bound. They have three daughters and two grandsons. The Grays have a love for people of all ages and are proud to be part of a business which offers so many wonderful services, not only for the elderly, but for all ages. These services allow our clients to have the one on one care they need and deserve at home. Gayla has over 20 years experience and recognizes the physical and mental needs of her clients and their families. Gayla dedicates her time to fulfilling the special concerns that are required to obtain the best care and offers family and friends peace of mind.

Why choose Home Bound? Home Bound delivers expert, quality care and is devoted to those we serve. We realize it is a privilege to care for people in their homes. We are committed to the highest level of care and dedicated to making a difference in the lives of people.
