Home Décor &
Furnishings

We are located at 4000 Hwy 62 E in Mountain Home (1 mile east of the bypass).

An example of our variety of beautiful home décor, gifts, and accessories.

Nostalgia is owned by Gay Cooper and Holly Cooper Hancock. Gay and Holly opened the business together in 2001. They are both originally from the North Arkansas area and have a love for antiques, home décor, and vintage jewelry, which ultimately led them to the decision to open the business. In addition, Holly will soon complete a degree in Interior Design from The Art Institute.

Nostalgia carries beautiful, unique décor for your home or office and is a great choice when trying to find that perfect gift. In addition to beautiful antique furniture and accessories, we also carry vintage jewelry and clothing.
