*Tom E. Knox, MD – ABOS Board Certified Orthopaedic Surgeon;
on Active Staff at Baxter Regional Medical Center, Mountain Home;
on Courtesy Staff at Ozark Medical Center (West Plains)
and North Arkansas Regional Medical Center (Harrison).
H. Rice Handley, Board Certified Physician's Assistant.*

Since 1983, Dr. Knox has provided the most up-to-date orthopaedic care to patients – with or without a physician's referral. Rice Handley helps Dr. Knox manage new patient diagnosis. Dr. Knox performs surgery at BRMC and in an ambulatory (outpatient) surgery center. Missy Smyth, OTR/L, Upper Extremity Specialist, cares for injuries of the shoulder, elbow, and hand for patients of Dr. Knox and other physicians.

Services & Products: Orthopaedic medical and surgical health care; bone and joint disease; hand and shoulder therapy; total joint replacement - hip, knee and shoulder; arthroscopic surgery - knee, shoulder, and wrist; industrial orthopaedics; complete radiology services on site (digital X-ray and MRI); upper extremity rehabilitation.
